COVID-19 Preparedness Plan Chilly Open - Cinema & Skates

Updated 2/7/2021

Cinema & Skates Overview

Under Gov. Tim Walz's Executive Orders, businesses that are in operation during the peacetime emergency are required to establish a COVID-19 Preparedness Plan. This includes both critical and non-critical businesses.

The Chilly Open Cinema & Skates event will be held on Wayzata Bay, on the ice, just north of Lake Street in downtown Wayzata, Minnesota on Friday and Saturday, February 19th and 20th. This entire event will be in the open air.

Location: Wayzata Bay, on the ice, access to the lake will be via Wayzata Depot Park (402 East Lake Street) at a closed event only access.

- Guests will check in outdoors at a COVID safe checkpoint before they have access to the ice
- Check in lines will be managed by volunteers, cones and signage to direct guests from different households to remain six feet apart, following the COVID required guidelines

COVID-19 Preparedness Chilly Open - Cinema & Skates

The Greater Wayzata Area Chamber of Commerce (“Wayzata Area Chamber”) is committed to providing a safe and healthy workplace for all our employees. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic. All employees are responsible for implementing this plan. Our goal is to mitigate the potential for transmission of COVID-19 in our workplace, and that requires full cooperation among employees, Board of Directors (BOD), members and visitors. Only through this cooperative effort can we establish and maintain the safety and health of our employees, workplace, members and visitors.

The BOD and employees are responsible for implementing and complying with all aspects of this Preparedness Plan. The Wayzata Area Chamber employees have our full Board support in enforcing the provisions of this policy.

Our employees are our most important assets. We are serious about safety and health and keeping our employees working at the Wayzata Area Chamber. Employee involvement is essential in developing and implementing a successful COVID-19 Preparedness Plan. We involved our employees in this process by providing a draft plan to each employee to review, provide feedback, ideas and concerns on the draft plan and ultimately approving the plan and agreeing to adhere to the guidelines set forth on the plan for the Chamber.

Our Preparedness Plan follows Centers for Disease Control and Prevention (CDC) and Minnesota Department of Health (MDH) guidelines and federal Occupational Safety and Health Administration (OSHA) standards related to COVID-19 and addresses:

- Hygiene and respiratory etiquette
- Engineering and administrative controls for social distancing
- Housekeeping – cleaning, disinfecting and decontamination
- Prompt identification and isolation of sick persons
- Communications and training that will be provided to employees
- Management and supervision necessary to ensure effective implementation of the Plan

Screening and policies for employees and volunteers exhibiting signs and symptoms of COVID-19

Employees and volunteers have been informed of and encouraged to self-monitor for signs and symptoms of COVID-19. All staff and volunteers will receive the event COVID-19 Preparedness plan prior to the event.

Each day, staff and volunteers will self-assess if they may have COVID-19, using the Minnesota Department of Health survey listed below and link attached.

Staff and volunteers will not attend if they answer YES to any of the questions on the checklist.

Overall policies

- The Chamber will provide protective equipment and supplies, such as source control face coverings, hand-sanitizer, disinfectants, and provide training when required.
- There will be no vendors.
- All volunteers and sponsors will be required to wear a mask outside, unless they maintain a 6 foot distance
- Hand-sanitizer will be available free to all.
- Staff and volunteers will manage the wait line at 6 feet apart and not more that 250 registrants will be allowed in the venue, counters will be used.
- All activities are outside open air.
- The venue location will be monitored and counted to not exceed 250 at a time.
- Volunteers will be monitoring the social distancing.
- Volunteers and staff will utilize cell phones for efficient and clear communication throughout the event.
- Signage throughout the venue will serve as a reminder to use hand-sanitizer, wear a mask and social distance.

Handwashing

Basic infection prevention measures are being implemented at our workplaces at all times. Staff and volunteers are instructed to wash their hands for at least 20 seconds with soap and water frequently throughout the day, but especially at the beginning and end of their shift, prior to any mealtimes and after using the toilet. Hand-sanitizer will be available free to all.

Respiratory etiquette: Cover your cough or sneeze

Staff, volunteers and visitors are being instructed to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose, and eyes, with their hands. They should dispose of tissues in the trash and sanitize their hands immediately afterward. Respiratory etiquette will be demonstrated on posters and supported by making tissues and trash receptacles available. We will have reminder signage up as well as volunteers to remind visitors to follow this protocol.

Social distancing

Social distancing is being implemented at check in and in the venue through the following engineering and administrative controls:

- Volunteers will be walking the venue to remind folks to follow social distancing protocol.
- Signage will be placed throughout the venue to remind folks to follow social distancing protocol.

Housekeeping

Regular housekeeping practices are being implemented and will include routine cleaning and disinfecting of all work surfaces.

Communications and training

This Preparedness Plan will be communicated to all staff, volunteers and Board of Directors and necessary training will be provided.
